

3rd annual

Women in Energy & Renewables

SUMMIT 2026

Kenote speaker information

- Please send your presentation slides no later than 3:00pm, two days before your presentation.
- PDF, Canva and Prezi files are not supported.
- Any videos should be embedded as MP4 files.
- If your file is large, please send it via WeTransfer.
- We recommend using clear fonts and high-contrast colours so your content is easy to read onsite.
- Please let us know if your presentation should not be shared with attendees after the event.
- If you plan to bring your presentation on a USB, please let the Event Manager know well in advance.

On stage, you will have access to the following:

- Lectern and microphone
- Clicker
- Foldback monitor
- Lapel microphone, if required
