

2nd annual

Women in Energy & Renewables

SUMMIT 2025

9-11 September
Sydney | Australia

Brought to you by the
organisers of:

The industry's gathering place to share knowledge, build skills & drive diversity

PARTNERSHIP PROSPECTUS

It was truly inspiring, showcasing the power of collaboration and innovation in shaping a sustainable future. The topics covered were both relevant and insightful, the speakers were inspiring, and the networking opportunities were invaluable. I'm looking forward to more discussions on practical strategies to further empower women, particularly in leadership and innovation. ”

Senior Consultant, **Global Power Energy**

Organised by:

Meet | Learn | Grow.

Australia's most popular **WOMEN IN ENERGY & RENEWABLES** event returns!

Following a sold-out inaugural event in 2024, Australia's foremost gathering of women in energy & renewables returns with exciting new speakers, all new content, engaging new formats, and more opportunities to meet and connect with peers than ever before.

This is your chance to gather with inspirational & industry-leading women working at the forefront of energy & renewables. You'll gain firsthand insights into game-changing innovations revolutionising the sector & what they mean for your organisation and your career. You'll also develop practical strategies and tools to drive diversity, grow your leadership skills, and steadily advance your career while benefitting your organisation.

This event is an opportunity for women across the entire energy and renewables sector to gather for an event that's not to be missed.

“A wonderful celebration of women in energy and renewables, a place to network and connect, and time out from work to reflect on the energy transition and how true diversity is necessary for success.”

Manager Engineering – Zone Substations, **Essential Energy**

Who will you meet?

The **Women in Energy & Renewables Summit 2025** is designed to bring together current and future leaders holding a senior or emerging role who want to elevate their skills and develop their knowledge across the key issues impacting the sector.

Why leaders and decision makers will be at Women in Energy & Renewables Summit 2025

1

Be part of the premier event for women in energy & renewables designed to help you move your career & organisation forward

2

Develop essential skills including leadership, problem solving, creativity, project management, negotiation & business acumen

3

Understand the sector's major trends and the shifting energy mix, consumer engagement, policy & more

4

Experience interactive champagne roundtables to discuss ideas, gain practical advice, and network with peers

5

Gain tools to drive diversity through allyship, accountability, transparency & better work practices

6

Examine how to maximise opportunities from the energy transition for your organisation & your career path

7

Strengthen your professional network by connecting with experienced, authentic & engaging leaders

Who should partner?

If you have an innovative or market leading product, solution or service related to any part of the energy and renewables sector, the **Women in Energy & Renewables Summit 2025** needs to be a part of your sales and marketing campaign.

This is your opportunity to meet key decision makers from the entire energy value chain, understand their challenges, and share solutions.

This event is for you if you have a product, solution or service for decision makers working in energy and renewables, including:

- Energy generators
- Renewables
- Solar
- Storage
- Transmission
- Distribution
- Networks
- Retailers
- Large energy users
- Government
- ...and any other part of the energy and renewables value chain

Why partner?

The **Women in Energy & Renewables Summit** offers numerous opportunities for sponsors to network, share their expertise, and build their reputation while engaging with an enthusiastic and engaged audience of leaders and decision makers throughout the energy and renewables sectors.

This is your chance to:

Raise your visibility and be recognised as an expert and prominent industry leader in energy & renewables

The Women in Energy & Renewables Summit positions your organisation as a thought leader in front of industry-recognised speakers as well as an inquisitive and influential audience of attendees.

Increase reach

Use ours! Women in Energy & Renewables Summit marketing reaches over 15,000+ unique, targeted contacts - join our campaign early and benefit from 4+ months of brand awareness.

Meet the right people

With multiple networking opportunities across the 2 main conference days, you can expand your network and socialise with existing and prospective clients. We target the key influencers and decisionmakers and you grow your community through authentic, meaningful interactions across the event.

Launch new products or services

Showcase new and innovative products and services to an interested and influential audience of senior decision-makers actively seeking solutions.

Build your brand

The Women in Energy & Renewables Summit offers brand recognition opportunities to position your company among the premier organisations within energy & renewables, and as a supporter of diversity and inclusion. This is your opportunity to enhance your profile as a trusted brand and market leader in front of key decisionmakers from a wide range of organisations across Australia.

Through consultation with our in-house marketing strategists, we will tailor a plan to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.

If you'd like to become a partner at the **Women in Energy & Renewables Summit 2025**, download our prospectus below for more information on ways to engage with our audience. You can also contact **Tashi Gazzard** on tashig@questevents.com.au or **Milad Etemadi** on milade@questevents.com.au to discuss how we can help you connect with your ideal audience.
